

Excellencies, Mesdames, Messieurs,

I am very happy to have met you at the UN HRC. With your permission I am forwarding you the latest news about the New Era of Justice, Peace, Cooperation and Right Relationships, in which we are entering now. I do hope that you can spread the most important message and influence the press, so that they will take over and inform humanity about this historic event and the "star-like luminary in the sky" and create a climate of hope and expectancy for the whole world. Thanking you in advance and looking forward to meeting you again, I remain with my sincere appreciation for all your inspiring work.

- Maitreya the Christ and World Teacher has already given His first interview on an American TV channel in January 2010.

Please find below my standard letter and the links (especially regarding NEW ENERGY TECHNOLOGIES and NUCLEAR ENERGY and WHY WE HAVE TO STOP NUCLEAR ENERGY IMMEDIATELY).

Excellencies, Mesdames, Messieurs, Dear Friends,

It was a great pleasure and honour for me to meet you personally. By separate mail I will also send you the Message of Hope about the Emergence of Maitreya (Statement given at the UN).

"The politicians and economists call the present situation a 'downturn' and a 'recession'. In truth, we are witnessing the last stumbling steps of the old order."

That is why Maitreya, the World Teacher and His group, the Masters of Wisdom are ready to emerge into the world now, to cooperate with humanity, to offer practical solutions to our most pressing global problems and point the way into a Golden Age of justice and peace.

I hope that the United Nations will soon be in a position to invite Lord Maitreya to speak openly in the Assembly Hall.

May I draw your attention to the Jan/Fev. and March 2009 Issues of Share Magazine, which contain a very inspiring article and questions and answers about the New Education for the New Age of Aquarius in which we are in now, as well as to the following articles of the Master: "The New Education", "The Family", "The Age of Light" and "The End of Corruption".

In the June 2009 Issue of Share Magazine, you will find a compilation of Maitreya's priorities and in the July issue a compilation about Faith as well as

- Why this crisis may be our best chance to build a new economy by David Korten
- Nuclear disarmament more urgent than ever by Mikhail Gorbachev
- Tackling the global financial and economic crisis, Interview with Pedro Paez Pérez

Nuclear power plants should be stopped as soon as possible as they are destroying not only the human kingdom, but also the animal kingdom, the vegetarian kingdom and the mineral kingdom. New sources of energy and new technologies should and will be explored soon. (see November issue, Questions and Answers regarding "Who are the 'Forces of Light'?" and "What is the purpose of this frenzy of UFO activities particularly in the UK but worldwide in recent times?" and

Jan/Feb. 2010 issue about UFOs and THEIR SPIRITUAL MISSION, regarding EVOLUTION, NEW TECHNOLOGIES, WHY WE HAVE TO STOP NUCLEAR ENERGY IMMEDIATELY and QUESTIONS AND ANSWERS).

July/August 2010 issue: Testimonies of World Leaders meeting with Space Brothers, Pope John XXIII and UFO's and

Rights for a living planet, Interview with Polly Higgins.

In the October 2009 issue you will find the press release about The

PERENNIAL LIGHT OF TRUTH, in November issue a compilation about the ENVIRONMENT.
